

Wallace Prather Celtics 2008 Basketball Sponsor Form

We are a premier basketball club in Georgia for student athletes ages 9 through 17. Our mission is to teach young athletes to play basketball at a highly competitive level and represent the community with pride and respect. Equally important is the desire for these athletes to build character, confidence and self esteem on and off the court. Our goal is to field teams that can compete at the local, region and national level against some of the best teams in the country. Our coaches and trainers are highly trained and committed to assisting student athletes in improving their skills to create opportunities for a college education through athletics.

This year, the Wallace Prather Celtics Club is sponsoring approximately five teams with girls between the ages of 9 and 17. We are raising funds in order to help pay for equipment, uniforms and the cost of tournament play. We are asking for your support in helping these girls receive all they possibly can from their love of basketball.

If you wish to become a sponsor, please fill out the form below and send it with your donation to:
